

HOWTO - SPORTS POOLS

How to Participate in a Sports Pool with Other Members

Select your choices for the upcoming pool. Once you make your selections, your entry form will be sent to Global Gamester to review. You will now have the entry fee taken out of your bank account on reserve. You may wish to withdraw from the pool before it starts to get your entry fee back. Once the pool starts your money is transferred to the pool. Winner receives hundreds and 2nd place receives their entry fee back. The more participants in the pool - the bigger the prizes! GOOD LUCK!!!

NFL:

Summary:

You must select the winner of each game during the week. You must enter the total score of the designated tie-breaker game (normally the Monday Night Football Game) as a tie-breaker. Most correct games Wins!!!

Note that there is no point spread applied to the games. In the event two members have the same point difference predicted for the Monday Night Football Game, the score for the winning team will be used as a secondary tie-breaker. If that point difference is the same, the pool is declared a "tie", and all winning participants split the prize equally.
